## **Feast of Saint Elias**

## *Elijah and the widow*

### *Luke 4: 24-30*

**24** “Truly I tell you,” he continued, “no prophet is accepted in his hometown.

**25** I assure you that there were many widows in Israel in Elijah’s time, when the sky was shut for three and a half years and there was a severe famine throughout the land. **26** Yet Elijah was not sent to any of them, but to a widow in Zarephath in the region of Sidon.

**28** All the people in the synagogue were furious when they heard this.

**29** They got up, drove him out of the town, and took him to the brow of the hill on which the town was built, in order to throw him off the cliff.

**30** But he walked right through the crowd and went on his way.

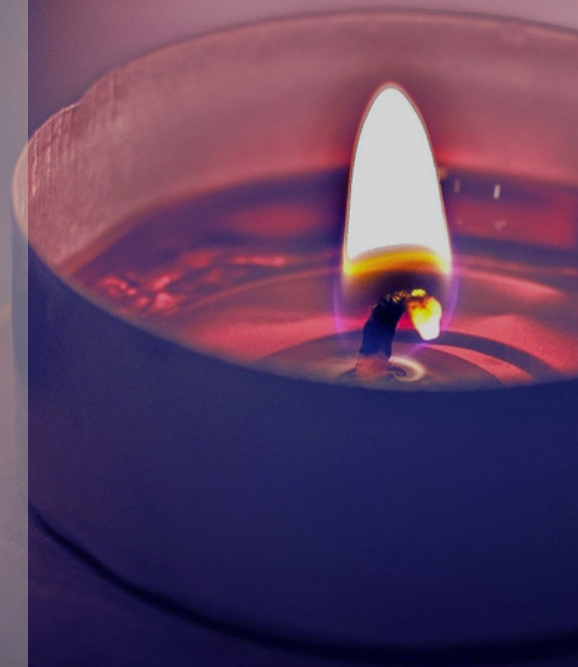

## Prayer of Elijah

Lord, let it be known today  
that You are the only God  
and that I am Your servant,  
and that I have followed  
all Your word.

Answer me, Lord, answer  
me, so that this people may  
know that You, Lord, are  
God, and that You have  
turned their heart back.

# July Intentions

## Pope Francis Intentions

We pray that, in social, economic and political situations of conflict, we may be courageous and passionate architects of dialogue and friendship.

## Eparchy Intentions

Dear Lord, as we continue our lives with renewed hope and joy, let us remember to be kind to one another and to reach out to our brothers and sisters in need. Let us find in our hearts to always show mercy and love. We pray to you O Lord.

Remember O Lord those couples who are beginning their paths as husband and wife and those who have been married for years. May they always look to each other for love and acceptance while walking hand in hand towards their future. We pray to you O Lord.
